

**United States Bankruptcy Court  
Western District of Oklahoma**

**CM/ECF NOTICE**

**The Honorable T. M. Weaver, Chief Judge  
The Honorable Richard L. Bohanon, Judge  
The Honorable Niles L. Jackson, Judge  
Grant E. Price, Clerk of Court**

The United States Bankruptcy Court for the Western District of Oklahoma is pleased to announce its conversion to a new system that will permit cases and pleadings to be filed and accessed electronically. The new system is called Case Management/Electronic Case Filing (CM/ECF).

CM/ECF is a case management and electronic case filing system designed by the Administrative Office of the U.S. Courts. It provides an easy-to-use electronic case filing feature allowing attorneys and the public to file and view pleadings, motions, and petitions on the Internet.

**The Court's projected date for conversion to CM is January 3, 2006.**

**The Court's projected date for conversion to ECF is March 6, 2006.**

The staff of the United States Bankruptcy Court for the Western District of Oklahoma will continue to provide excellent service to the public and legal community. Training classes in the use of CM/ECF will be offered free of charge. Schedules for training will be posted in late 2005 on the Court's website, [www.okwb.uscourts.gov](http://www.okwb.uscourts.gov).

If you have questions regarding the conversion to CM/ECF, you may contact the Bankruptcy Court by calling 405 609-5700.

**Your patience and support during this period of conversion is appreciated.**
